The System helps Many, We help Those who Fall through the Cracks

Rolling Thunder[®], Inc. created Rolling Thunder[®] Charities, to help our brothers and sisters who haven't received everything they need. Our Rolling Thunder[®] work continues in all areas of veteran awareness, legislation and advocacy.

Rolling Thunder[®] Charities provides an extra level of response when all else fails.

Our Shoppers are Our Helpers

Rolling Thunder[®] Charities takes advantage of the donations made by retailers when our members shop at their internet locations. Our members and supporters can access a network of internet retailers who make a cash-back donation to Rolling Thunder[®] Charities on every purchase from someone coming to their ".com store" through our web site. Our shoppers get the same discounts, savings and low prices as when they shop directly. But, because they accessed the retailer through our web site, the retailers know they were "brought" to them by Rolling Thunder[®], and Rolling Thunder[®] Charities gets a cash back payment.
